

Antonio Neal, The Only One

[Verse 1:]

You mean more to me than any words could say,
You illuminate my path and lead the way.
Like a star, You shine so bright
that I can see Your Love for me.

[Verse 2:]

I never want to live a day without Your touch,
in Your secret place, is where I want to be.
In Your presence seems everything that I need,
You are my life, my love.

[Chorus:]

You are the only One I need.
You are the only God for me.
I cannot move, cannot breath,
unless You exhale in me.

[Verse 3:]

And it's so sweet to know
that You have drawn so close,
and in return, I lay my life down at Your feet.
Your desire is the song I want to know,
You are my song, my melody.

[Chorus]

[Bridge:]

You are my shelter, my comfort in me,
Your words I rely on,
reveal Your truth in me.

You're my strong tower,
Your refuge I see,
bright and morning star,
I wanna be where You are.

[Vamp:]

Lord, I adore You,
I adore You.

Lord, I adore You,
and I bless Your name.

Lord, I adore You,
I adore You,
(You mean everything).

[Chorus]
