

Antony And The Johnsons, My Lady Story

My lady story
My lady story
My lady story
Is one of annihilation
My lady story
Is one of breast amputation
My lady story
My lady story
I'm a hole in love
I'm a bride on fire
I am twisted
Into a starve of wire
My lady story
My lady story
Lie in road for you
And I've been your slave
My womb's an ocean full of
Grief and rage
My lady story
My lady story
My lady story
My lady story
And still you're coaxing me
To come on out and live
Well I'm a crippled dog
I've got nothing to give
My lady story
My lady story
My lady story
My lady story
I'm so broken babe
But I want to see
Some shining eye
Some of my beauty
My lostest beauty
My lostest beauty
