

# Antony & The Johnsons, My Lady Story

My lady story  
My lady story

My lady story  
Is one of annihilation  
My lady story  
Is one of breast amputation

My lady story  
My lady story

I'm a hole in love  
I'm a bride on fire  
I am twisted  
Into a starve of wire

My lady story  
My lady story

Lie in road for you  
And I've been your slave  
My womb's an ocean full of  
Grief and rage

My lady story  
My lady story  
My lady story  
My lady story

And still you're coaxing me  
To come on out and live  
Well I'm a crippled dog  
I've got nothing to give

My lady story  
My lady story  
My lady story  
My lady story

I'm so broken babe  
But I want to see  
Some shining eye  
Some of my beauty  
My lostest beauty  
My lostest beauty
