

Anvil, Pro Wrestling

Ring bell, fighters in the ring
Start match, begin the clobbering
Drop kick, caught up in the rope
Pin fall, for the man with no hope
Head butt, arm drag
Pro wrestling fight to win
Pro wrestling be the champion
Choke slam, below the belt a knee
Face lock, in steps the referee
Bear hug, cross face chicken wing
Monkey flip, gorilla press and fling
Toe hold, kick out

Pro wrestling fight to win
Pro wrestling be the champion
Cage match, hell inside the cell
Hard core, blood the tale will tell
Choreographed, for the crowd appeal
Screen play, the pain is truly real
Back drop, eye gauge
Hip toss, kick out
Pro wrestling fight to win
Pro wrestling be the champion
