Why?

Song: Godsmack

How in the hell can I forgive
You make me suffer
Tryin' to see how far you'll
Push me underground
Oh,back into the rhythm
Fast and trippin' me out
Bad when you're
In my world
Everything you say
I find a way to
Bring you down
Why
Another way for you
To fake your way
Through your life
Remember everything
You do will
Come around
Oh, never am I
Going back
To think that I
Might crack and
You might like it
Will you ever
Fade away, baby why
Don't you just get out of
My life
Why
I think of you sometime
But I'll never believe in you again
Why
