Anya Marina, Vertigo

The song you sing is sentimental The song you sing is making me well I like it, like it outta control The song you sing gives me vertigo Oh oh, I was singing to myself Whoa, pretending you were there Whoa, close my eyes and it begins Whoa, you're giving me the spins Oh oh, oh oh, this medicine's experimental This medicine, it's making me well I like it, like it outta control This medicine gives me vertigo Oh oh, I was singing to myself Whoa, pretending you were there Whoa, close my eyes and it begins Whoa, you're giving me the spins Oh oh, oh oh, this medicine's experimental This medicine, it's making me well I like it, like it outta control This medicine gives me vertigo, vertigo Everyone I see, they stop and stare Everyone I meet but I don't care Everything I knew is dying dead Everything I feared was in my head This medicine's experimental This medicine, it's making me well I like it, like it outta control This medicine gives me vertigo Oh oh, vertigo Oh oh, I was singing to myself Oh oh, oh, vertigo Oh oh, oh, I was singing to myself Oh oh, oh oh, I was singing to myself Oh oh, oh oh
