Remember Me
(claude s.)

Take you're time, don't let the
Thoughts become your pain.
When they're gone you'll only
Find them all in vain.
Even though i said 'all dreams
Must die,' it paves the way for
All of those who want to try.
Take this, always keep it near
Your heart.
Take this, hope it finds its way
Inside.
Take this, let it stand where i
Must fall.
Take this, remember me...
Remember me...
