Simpleton  
(claude s.)

Don't you know that it's over?  
Don't you know that it feels so cold?  
Can you see how it hurts me?  
When indifference intervenes?  
I don't mind...  
Will you find your own way now?  
Will you try to confront your pain?  
Will you make yourself lonely?  
Will you willingly take my lead?  
I don't mind...  
I don't mind...
