

# Anything Goes, Friendship

[Incomprehensible]

Through thick and thin

Night and day

Right or wrong

If you're ever in a jam, here I am

If you're ever in a mess, S.O.S.

If you ever feel so happy, you land in jail

I'm your bail

That's friendship, friendship

Just a perfect blendship

When other friendships have been forgot

Ours will still be hot

And if you're ever up a tree phone to me

If you're ever down a well, ring my bell

If you ever lose your teeth and you're out to dine

Bury mine

That's friendship, friendship

Just a perfect blendship

When other friendships go up in smoke

Ours will still be oak

If they ever black your eyes, put me wise

If they ever cook your goose, turn me loose

If they ever put a bullet through your brain

We'll complain

That's friendship, friendship

Just a perfect blendship

When other friendships have been forget

Ours will still be it

Remember a man's best friend is his

Man's best friend is his

Man's best friend is his friend
