

Apartment, Fall Into Place

So penniless for a dream
I hope I get by today
I want to get to the truth
And learn how to gray
So penniless for a dream
It's not living in St. Tropez
But I wonder if what you wish for
Will fall into place
Du, du, du, du, du, du
Du, du, du, du, du
Fall into Place
Du, du, du, du, du, du
Du, du, du, du, du
Fall into Place
Du, du, du, du, du, du
Du, du, du, du, du
Fall into Place
Du, du, du, du, du, du
Du, du, du, du, du
Fall into Place
I'm struggling just to see
Amount to better ways
What's possibly meant to be
Was probably meant for me
It's never been on a plate
Well it's never been on a plate
So mother I hope that I
Will fall into place.
