from head to toe

your house is infested with mice
and you pick your nose

in-grown nails you lost your hair
your brand new shirt is ripped and tared

HOW DARE!

so thats why you got money from the mob
thats why there after you

all you do is drink damn booze
you smell bad i hate you!

why dose life have to be this way
i wish i were dead or died another day

pass the sharedani
hope you have a nice stay

JUST GO AWAY!
