

# Aphrodite's Child, End Of The World

You should come with me to the end of the world  
Without telling your parents and your friends  
You know that you only need say a word  
So end my play with the end of the world

But I know  
That I'll go... away by myself  
I feel you don't want to come

You should come with me to the end of the world  
We could lie all day on the quiet sands  
I would introduce you to my friend the bird  
Who sings and flies along the fairy strand

But I know  
That I'll go... away by myself  
I feel you don't want to come

he---e, ha---a

If you come with me to the end of the world  
I'll give you anything that lives on earth  
You know that you only need say a word  
So we might live at the end of the world

What I know  
That I'll go... away by myself  
I feel you don't want to come

he---e, ha---a
