

Aphrodite's Child, Such A Funny Night

Oh, it's morning
and my head is spinning 'round
I had a girl when I came in
But when I woke up she was gone...

Oh, it's morning
and my head is spinning 'round
I had a girl when I came in
But when I woke up she was gone...

Oh, it's morning
and my head is spinning 'round
I had a girl when I came in
But when I woke up she was gone...

Oh, it's morning
and my head is spinning 'round
I had a girl when I came in
But when I woke up she was gone...
