

Aphrodites Child, Babylon

Aphrodites Child

666

Babylon

Fallen fallen fallen

is Babylon the Great!

Space is getting bounded,

time is getting late!

Masters fall and wonder,

people rise and wait.

Fallen fallen fallen

is Babylon the Great!

You don't need a coin,

I don't have to shine,

we don't know the reason.

But I need you madly

and you need me too,

and we need each other...
