

Apocalyptica, Apocalyptica

There's something in the way, you're always somewhere else,
Feelings have deserted me to a point of no return,
I don't believe in God, but I'll pray for you.

Don't you slip away from me, it's you I live for, don't you leave,
No, don't you slip away from me, I'm vulnerable to your love.

There is something in the way you're always somewhere else,
Feelings have deserted me to a point of no return,
So the light fades out and you're so close to losing.

Don't you slip away from me, it's you I live for, don't you leave,
No, don't you slip away from me, I'm vulnerable to your love,
Don't you slip away from me, it's you I live my life for. No don't leave.

Don't you slip away from me, I'm vulnerable to your love,
Don't you slip away.
