Apocalyptica, Apocalyptica

There's something in the way, you're always somewhere else, Feelings have deserted me to a point of no return, I don't believe in God, but I'll pray for you.

Don't you slip away from me, it's you I live for, don't you leave, No, don't you slip away from me, I'm vulnerable to your love.

There is something in the ?-way you're always somewhere else, Feelings have deserted me to a point of no return, So the light fades out and you're so close to losing.

Don't you slip away from me, it's you I live for, don't you leave, No, don't you slip away from me, I'm vulnerable to your love, Don't you slip away from me, it's you I live my life for. No don't leave.

Don't you slip away from me, I'm vulnerable to your love, Don't you slip away.
