

Apocalyptica, Repressed (p.u.)

[ft. Matt Tuck and Max Cavalera]

[Max:]
I travelled the way that you showed me
Left all my sorrow behind
I'm living with rules you once told me
Expecting myself to be fine
So why the fuck am I lonely?
There's no one inside I can call
To give up the fight is a warning
That one day to stand you will fall

[Matt:] I left my sorrow behind
[Max:] Voce precisa protecao
[Matt:] Warning not to give up the fight
[Max:]
Me diga a verdade
Protecao

[Matt:]
Your words, that gave me direction
Helped me turn into what I thought I wanted
Fists, that gave me protection
Helped me deal with you
So for now our days are through

[Max:]
Nothing left
Nothing rests
Nothing grasp

[Max:]
You declared what your faith is
But you still have the fear
The way you've left your life open
Will not bring your destiny here
Do I continue my journey?
Confusion is wrapped in my mind
So when you gone with your martyr
You can continue your lies

Me diga a verdade!

[Matt:]
Your words, that gave me direction
([Max:] Voce precisa protecao)
Helped me turn into what I thought I wanted
([Max:] Voce precisa direcao)
Fists, that gave me protection
([Max:] Me diga a verdade!)
Helped me deal with you
([Max:] Voce precisa protecao)
So for now our days are through
([Max:] Me diga a verdade!)

[Matt:] I left my sorrow behind
[Max:] I left my sorrow behind
[Matt:] Warning not to give up the fight
[Max:] Warning not to give up the fight
[Matt:] you declared what your faith is
[Max:] But you still have the fear
[Matt:] I will continue my journey
[Max:] i need your lies no more!

[Matt:]
Words! That gave me some action
([Max:] Direcao!)
Helped me turn into what I thought I wanted
([Max:] Protecao!)
Fists that gave me protection
([Max:] Me diga a verdade!)
Helped me deal with you
([Max:] Direcao!)
So for now our days are through
([Max:] Me diga a verdade!)

[Max:]
Direcao
Protecao
[Matt:] So for now our days are through
[Max:]
Me diga a verdade!
Direcao
Protecao
[Matt:] So for now our days are are through

[Max:]
Nothing left
Nothing rests
Nothing grasp

Never underate the man with nothing left inside
Never underate the man with nothing left inside
