Apollo Four Forty  
Electro Glide In Blue  
Tears Of The Gods  
All right oh babe  
Tears

She always talked about the gods  
She had a direct line with the gods  
You've been selected by the gods  
She told me  
Ok, babe, let's make it then

(looking for trouble? have you got it?)

What a man has to go through for a piece of ass in a modern age it was highly ridiculous

Oh babe  
Hey, what's that shit?  
The tears of the gods?  
The tears of the gods  
Yes, the tears of the gods!
