

# ApologetiX, One Way

""Parody of 'One Week' by Barenaked Ladies""

""(Matt. 7:13-14, 13:24, John 6:44, 14:6; Luke 13:23-24, Acts 4:12, 1 Cor. 8:5-6; Deut. 5:7, 6:4, Exo

It's been one way, take a look and see, up to Heaven, the Bible says it plainly  
False faith and philosophy can't get ya to Heaven -- come back to Jesus  
He's the way and the living truth  
You realize that all those false gods couldn't help you  
Yes indeed, He's forgiven me, and He can still get you saved if you say you're sorry  
Holy cow they got you hoodwinked with the pagan god thing  
I think you're lookin' at also rans  
But some of this superstition though it might be called religion  
Finds find you sizzlin' with the devil in the fryin' pan  
It's not like the Bible says it one time  
More like 300 times it says there's only one avenue  
First C'rinthians chapter 8:6, the Bible says this  
You try to tell me that it's not true  
I think you're makin' a mistake -- I'd like to take and wake and shake ya  
Like to tell you how to find yourself the way there  
Cause Jesus showed us and we know where every soul is gonna go  
Unless n' they confess Him as their Lord and Savior  
I cannot help it if I think there's one way and you're mad  
Tryin' hard not to sin but you're still bad  
There's a time to die and after the funeral  
Then you'll understand what I mean when it's too real  
I have a tendency to stand behind John 14  
John 14:6 could be my favorite Bible verse.  
It's been one way, take a look and see, Deuteronomy says it pretty plainly  
5:7 the passage reads: 'You shall have no other gods before me'  
(You can) read Exodus halfway through  
You read that line in chapter 20 'cause it's there, too  
Yes, indeed, chapter 20, verse 3  
Now, it's written in two places for you, and you saw it (Catch your breath here)  
Check into China the Chinese Christians  
They haven't done zip but they're chained up in prison  
Cause they read their Bibles with the lights on or cause they prayed once  
Or cause they spoke on their religion  
In America it's more like getting dandruff, they see you stand up  
They snicker when they see you passin' by  
They'd cure us all of all our bad flaws -- They wanna make laws  
But if they did they'd have us sterilized  
They get upset at anyone who tries definin' God above  
They're so alarmed they always try to start attacking  
Their attitude is that you're rude and that no truth is absolute anyway, babe  
So let them think the wrong thing  
I cannot help it if I think there's one way into Heaven  
Kinda hard to ignore Matthew chapter 7  
I can find the line in Acts chapter 4:12  
Cannot be saved by the name of someone else  
I have First Timothy to verify my beliefs, there's quite a bit to read but 2:5's the verse  
It's been one way, take a look and see, drop your guard and your pride and say I'm sorry  
Bible says what you have to do  
It says you just confess that Christ is Lord -- He'll come in you  
Believe that He's risen, too, you'll realize you're born again, I wouldn't tease you  
Yes, indeed, we can all be saved  
But there will still be too many who won't say they're sorry  
And still Jesus waits till we say we're sorry  
And still Jesus waits so please say you're sorry  
At least God don't speak in code like Hammurabi
