

ApologetiX, Who's There

From your time of infancy Christ was a-knockin'.
You say it's in vain but I've got to tell you somethin';
When the bad things I'd done made me detestable,
God proved His love because He saved me anyhow.
Flick the porchlights and go get the doorbell.
Knock, knock! Jesus there,
He's lookin' for a place to dwell.
Make Him some dinner and invite Him to eat.
God'll come in your house if He's got the house key.
Someone kept prayin' I would change and I came around.
God was ready and he came to me first.
Hopefully you'll believe what you read.
It is in the book of Revelation there in chapter number three.
So save some space and a place in your heart.
Save another soul from burnin' in the Lake of Fire!
Yo! Got it?

Someone's at the door.
Find out who's there, baby.
Go light up your building.
Double doors locked shut.
Go and tell the Lord,
I want you to save me,
So why don't Ya fill me?
Doors are shut even though you know He's right there.
Man, don't refuse Him,
Don't you know that that's dangerous?
Cause one spot of evil is enough to call you bad.
What's on your soul is a lot more sin than that.
And the rerun shows that your door stayed closed up.
You said, come back at a more convenient time.
He rung the bell but you kept on sinning.
Snuck around the back,
He was bangin' on your kitchen screen.
Gotta get Christ and you can't delay.
Make it fast cause you need Him in your heart to be saved,
And it's time to repeat the facts regarding our eternal life,
Which you can now consider.

Someone's at the door.
Find out who's there, baby.
Go light up your building.
Get face to face with Jesus.
Go and tell the Lord,
I want you to save me,
So why don't Ya fill me?
That's right; God is here.
Yo! Bring Him in now!

Jesus says
Behold, I stand at the door and knock.
If anyone hears My voice and opens the door,
I will come into him and dine with him,
And he with Me.
I'd invite Him home for dinner.
Then you're gonna change, I believe it.

Someone's at the door.
Find out who's there, baby.
Go light up your building.
I can't believe it!
Go and tell the Lord,
I want you to save me,
So why don't Ya fill me?
Yeah
Someone's at the door.
Find out who's there, baby.
Go light up your building.

Yo! Open those doors, baby.
Go and tell the Lord,
I want you to save me,
So why don't Ya fill me?
Hear what I said?
