

ApologetiX, You Ain't Been Nothing Yet

Parody of "You Ain't Seen Nothing Yet" by BTO
(Exodus 4)

The Lord appeared to Moses.
He told him what to say.
He said, "I have a tongue that's goofy"
but God wanted him that way.
He said that any tongue is good enough
&"so you do what I just said.
You go to Egypt to them Israelites
and then I'll make you something yet!"
M-m-m-moses said, "I ain't been nothin' yet!
Did someone that's in Heaven up there forget?
You know, you know, you know,
I'm 80 and I ain't been nothin' yet!"
("They'll say, You ain't been around
That's what they'll tell me.")
I've heard that Moses stuttered
or something of the sort.
He turned into a prophet
yet he never found the cure.
You see that anyone is good enough
if they trust what God has said
in the book that I just read
cause then He'll put belief in them
deep down inside,
and then He'll make them something yet.
M-m-maybe, you just ain't been nothin' yet.
It's comin', it's comin'
You just hang on and don't fret.
B-b-b-baby, He'll make you something yet.
(You need elevated -- God'll make you cool!)
Anyone can be something
If they trust what God has said
in the book that I just read
Cause then He'll put belief in you deep down inside, and then He'll make you something yet.
M-m-maybe, you just ain't been nothin' yet.
It's comin', it's comin'
He's the Lord and you never oughta forget.
B-b-b-baby, He'll make you something yet.
