Our one source of energy  
The ultimate discovery  
Electric blue for me  
Nevermore to be free

Electricity, nuclear and H.E.P.  
Carbon fuels from the sea  
Wasted electricity

Our one source of energy  
Electricity  
All we need to live today  
A gift for man to throw away

The chance to change has nearly gone  
The alternative is only one  
The final source of energy  
Solar electricity
