

Apoptygma Berzerk, Friendly Fire

In a twisted dream
I met a wandered girl
Her eyes sore tragedy
Filled with mascara tears
Hollywood jesus
Met the wandered girl
Like a gaffe giant teases
Step into my world

An illustrated dream
With a friendly fire
I was hollywood jesus
For feeling every desire
Girl with masacara tears
And eyes of tragedy
Like a twisted dream
Burned friendly fire

Divine insanity

You and me, friendly fire
Meant to be, burning desire
