Please Come Home For Christmas

Bells will be ringing the glad, glad news

Oh what a Christmas to have the blues

My baby's gone (my baby's gone) I have no friends

To wish me greetings once again

Choirs will be singing Silent Night

Those Christmas carols by candlelight

Please come home for Christmas (please come home)

Please come home for Christmas (please come home)

If not for Christmas by New Year's night

Friends and relations send salutations

Just as sure as the stars shine above (yes they do)

This is Christmas, Christmas my dear

The time of year to be with the one that you love

Then won't you tell me, you'll never more roam

Christmas and New Year (Christmas and New Year's)

Will find you at home

There'll be no more sorrow, no grief or pain

I'll be happy (happy) that it's Christmas once again
