

April Sixth, Here I Am

Here you lay in darkness, all by yourself.
Retreating from the life, which you live.
Days ago it made me sad to think that everything wouldn't be ok,
and to know that we would break away!

They told me not to let you go away!
So, here I am.
They told me that the feelings wouldn't go away.
So, here I am.

Here I am... (x2)

Well, let's start this over,
"Cause it sickens me that I'm the only one, who was thinking how it would be.
I know that this is how we want to be, so innocent in all the things,
and start to live inside again!

They told me not to let you go away!
So, here I am.
They told me that the feelings wouldn't go away.
So, here I am.

Your life of solitude, why don't you give it up?
And take away all the messed up fear you hold within.
Don't wanna be the same.
You know you make me sick.
Yea, I'm your only son who ever cared which way you went"

Your life of solitude, why don't you give it up?
And take away all the messed up fear you hold within.
You'll wanna be the same, you'll never be the same, I'll never be the same.

They told me not to let you go away!
So, here I am.
They told me that the feelings wouldn't go away.
So, here I am.

(Here I am x2)
Only for a moment so
(Here I am... x3)
Well, the days are getting shorter for you
(Here I am... x3)
Yea, only for a moment so
(Here I am... x3)
