

# April Wine, Comin' Right Down

(Myles Goodwyn)

Is the sky really fallin'  
Or does it just seem that way  
Where's my reasons for livin'  
Have they all slipped away

It's comin' right down on top of me  
And gettin' so I can't hardly breathe  
It's comin' right down on top of me  
Just let me be

When something feels good  
You can't leave it alone  
And when good luck turns bad  
It seems everything goes wrong

Baby, it's comin' right down on top of me  
It's gettin' so I can't hardly breathe  
It's comin' right down on top of me  
It just won't let me be, won't let me be

The morning won't face the day  
And how does life ever get this way  
Won't somebody set me free  
It just won't let me be, won't let me be  
Just won't let me be, just won't let me be  
It just won't let me be, it just won't let me be  
It just won't let me be, set me free  
Won't someone set me free (somebody set me free)  
Somebody set me free (set me free, set me free)  
It just won't....  
It just won't let me be  
It just won't let me be
