If i had my druthers mama, you know i'd rather be alone
I say if i had my druthers mama, i said i'd rather be alone
And when i wake up in the morning, you know i'd rather you were gone
It's alright mama, just tryin' to have some fun
It's alright mama, just tryin' to have some fun

I say if i had my druthers mama, i said i'd rather be alone
I say if i had my druthers mama, you know i'd rather be alone
And when i wake up in the morning, you know i'd rather you were gone
It's alright mama, just tryin' to have some fun
It's alright mama, just tryin' to have some fun
It's alright mama, just tryin' to have some fun
Alright mama, just tryin' to have some fun
