Hard Rock Kid

(tom lang/additional lyrics by myles goodwyn & mike stone)

Published by goody two tunes, inc./additional publishers - bmi

The boy inside the man, looks hard into the night  
The neighborhood can't get to sleep  
The stereo is playing something hard and fast  
The boy is tough, he plays for keeps

No one's gonna tell him he's too wild  
Everybody knows he's a problem child  
He's a hard rock, he's a hard rock, he's a hard rock kid (kid)  
It's a hard time, it's a fine line, for a hard rock kid  
He's a hard rock, he's a hard rock, he's a hard rock kid (kid)  
Leave him alone, he's in a hard rock zone

In the shadows, there's a heart that's beating strong  
And through the night, he feels the heat  
He's like a stranger as he dances on the stage  
He's made a promise that he can't keep

But no one's gonna tell the boy he's wild  
Everybody knows he's a hungry child  
He's a hard rock, he's a hard rock, he's a hard rock kid (kid)  
It's a fine line, it's a hard time, for a hard rock kid  
He's a hard rock, he's a hard rock, he's a hard rock kid (kid)  
Leave him alone, he's in a hard rock zone

She watches as he turns, pretending not to care  
And yet she knows the way he feels  
The need for love so strong, together they can win  
For now the music's all that's real

But no one's gonna tell the boy he's wild  
Everybody knows he's a problem child  
He's a hard rock, he's a hard rock, he's a hard rock kid (kid)  
It's a hard time, it's a fine line, for a hard rock kid  
He's a hard rock, he's a hard rock, he's a hard rock kid (kid)  
Leave him alone, he's in a hard rock zone  
He's a hard rock, he's a hard rock, he's a hard rock kid (kid)  
It's a hard time, it's a fine line, for a hard rock kid  
He's a hard rock, he's a hard rock, he's a hard rock kid (kid)  
Leave him alone, he's in a hard rock zone
