Shadows closin' in on me
But through the darkness i can see
Your face is harder than stone
I wish i may, i wish i might
Turn this darkness into light
I'm blind and yet i see, i love you

But i'm a man, i must be strong
I've let these feelings tear me apart for far too long
But in my darkest hour of need
In my darkest hour of need

Will i ever love again
Or will it always be pretend
It's my heart that needs to know
What can it be, that you and i
Can't give it one more try
But i know that that won't be, and i love you

But i'm a man, i must be strong
I've let these feelings tear me apart for far too long
And in my darkest hour of need
In my darkest hour of need
