Alive and jivin', bareback ridin', anything to tease you
We rant and rave, the world to save, anything to please you
Now all night long we roll along, we ain't in bed till seven
I know damn well we're goin' to hell, can't pay the price in heaven

Ooh, ooh, ooh ooh, just like that
Ooh, ooh, ooh ooh, just like that

They say we're no class, man are they crass, smiles upon their faces
We're glad to be this way you see, we have no need for crazes

Ooh, ooh, ooh ooh, just like that
Ooh, ooh, ooh ooh, just like that
We're rock 'n' roll children tonight
We're gonna rattle everything in sight
Look out ma, the hooligans are rolling tonight

We've been gone a long long time, and i only want to see you
I'm headin' home and all alone, you know how much i need you

Ooh, ooh, ooh ooh, just like that
Ooh, ooh, ooh ooh, just like that
We're rock 'n' roll children tonight
We're gonna rattle everything in sight
Look out ma, the hooligans are rolling tonight
We're rock 'n' roll children tonight
We're gonna rattle everything in sight
Look out ma, the hooligans are rolling tonight
Ooh, ooh, ooh ooh, just like that
Ooh, ooh, ooh ooh, just like that
Ooh, ooh, ooh ooh, just like that
Ooh, ooh, ooh ooh, just like that
