

# April Wine, Ladies Man

(myles goodwyn)

Published by goody two tunes, inc. - bmi

Last night, what a scene  
So cool, a gypsy queen  
Some crashed, the talk of the town  
So shy, when I'm around

That's right, I'm a ladies man, yes I am

Some girls won't let go  
Most girls can't say no  
First glance, I could see  
Your next move was up to me

That's right, I'm a ladies man, yes I am  
Come and get it, I'm all yours tonight  
There's no reason to be shy  
There's no sittin' wonderin' why

Cause I'm a ladies man  
Come and get me, I'm all yours tonight, yeah

High heels, crimson shoes  
Slow down, lovers groove  
Just right, not too fast  
Good times were meant to last

That's why I'm a ladies man, yes I am  
Come and get it, I'm all yours tonight  
There's no need to wonder why  
There's no sittin' bein' shy  
Cause I'm a ladies man  
Come and get it, I'm all yours tonight

Yeah yeah yeah, I'm a ladies man  
Come on girl, I'm a ladies man  
It's alright, I'm a ladies man  
Come and get me, I'm all yours tonight
