Nothin' But A Kiss

(myles goodwyn)

Published by mfg sing sing music/socan - ascap

You've been part of my life since you was 15  
We've been playin' this game forever it seems  
We don't give a damn if it's wrong or right  
We're just huggin' and kissin' almost every night

We ain't lookin' to go all the way  
We don't look for trouble, we just play  
And you're at the top of my list  
We fool around, we just like to kiss, like this  
Just like this, it ain't nothin' but a kiss, just like this

My heart starts pounding, and my soul's on fire  
If i told you different, then i'd be a liar  
We laid it all out and then we let it be  
There's a big difference between you and me

I don't know if it's wrong or right  
But we've been doin' our thing most every night  
I know baby, it's hit or miss, but i'm right on target  
It ain't nothin' but a kiss, like this  
Just like this, it ain't nothin' but a kiss, baby  
Just like this, it ain't nothin' but a kiss

Your mama don't like it, your daddy don't like it  
They never will leave us alone  
My knees start shakin', my hands are shakin'  
Kissin' on the telephone  
Ooh, it ain't nothin' but a kiss  
Ooh, it ain't nothin' but a kiss, just like this  
It ain't nothin' but a kiss, just like this

We tell our friends, don't you get in our way  
Our family's searchin' all night, and then bitch all day  
We don't really care what other people do  
If it's hide-and-seek, well too bad for you

It don't matter, win, place or show  
Whatever you say, it goes  
But i think if i could make a wish  
I'd stay here with you and we could kiss, like this  
Just like this, it ain't nothin' but a kiss baby  
Just like this, it ain't nothin' but a kiss  
Just like this, it ain't nothin' but a kiss  
Just like this, it ain't nothin' but a kiss baby  
Just like this, it ain't nothin' but a kiss now  
Just like this, it ain't nothin' but a kiss
