

April Wine, Page Five

I've been thinking about you
And I know you think of me too
And I only just met you
And I really don't know you

I can tell that you like me
Does it show that I like you too
Cause I only just met you
And I really don't know you

Smiling sweetly
Sweetly softly
So young and free

Take what you need cause there's nothing left
Take what you need cause there's nothing left
Take what you need cause there's nothing left
To see

Now it's 5 a.m. and look at me
Dawn is here and I still can not sleep
I just lie here writing songs for you
Sleep softly while I write these words
