

# April Wine, Victim Of Your Love

(Myles Goodwyn)

Published by Slalom Publishing Co. - BMI

So many times I've loved you  
And now I don't even know you  
I'm just a victim for your love  
And having my whole world fall down  
And finding the strength to go on  
Cause I'm just a victim for your love  
And I'm not the one you're thinkin' of  
I'm just a victim for your love

I thought our love was growin' strong  
Growing each day, well I was wrong  
Then having my whole world fall down  
And finding the strength to go on  
Cause I'm just a victim for your love  
And I'm not the one you're thinkin' of  
I'm just a victim for your love  
And I'm not the one you're thinkin' of, no

I'm just a man with a broken heart, oh no  
I'm just a man with no place to start, oh yeah  
I was a victim for your love

Don't break my heart, don't cause me pain  
Comfort me love, hold back the rain, oh no  
I'm just a man with a broken heart, oh no  
I'm just a man with no place to start, oh yeah  
I was a victim for your love, ooh  
And I'm not the one you're thinkin' of  
I'm just a victim for your love  
And I'm not the one you're thinkin' of  
I'm just a victim for your love
