

# Apt 3g, Do The Wrong Thing

Got married on Saturday to a girl from Salt Lake  
City

moved out to the suburds we had a pet goat  
everywhere we would go the goat would go too  
watch our love - making with eyes slitted and blue

one night I woke up  
butcher knife in hand

killed my lovely wife  
and I killed the goat too

when I realized what I had done  
killed my friend my only one

I sure do miss this little goat  
do the wrong thing

I did the wrong thing

I done the wrong thing
