

# Apt 3g, Peat

I told you before won't say it again  
I've come this far and it's not a sin  
don't know what you want from me  
I don't care can't you f\*\*king see that  
I've heard this story many times before  
you won't have me crawling on the floor  
you live your life you're full shit  
never been no doubt about it  
spewing puke and spewing puke and spewing lies  
I can see that shit coming out of your eyes  
don't know what you want from me  
I don't care can't you f\*\*king see that  
I've heard this story many times before  
you won't have me crawling on the floor  
you live your life like you're full of shit  
never been any doubt  
what a stinking corpse you will make  
when all that shit it comes right out
