

# Apt 3g, Two Face

You're a two face baby  
you know you'll never change  
lying all the time  
you don't think it's strange  
hypocritical bastard  
everybody's worst friend  
now the story can be told  
you're bullshit gonna end  
you're two faced liar  
you're two faced creep  
when you look in the mirror  
tell me what you see  
what don't you leave me alone  
get off the goddamned telephone  
I can't believe a single word you say  
you wouldn't have it any other way  
you're a two faced asshole  
you're a two faced creep  
when you look in the mirror  
tell me what you see  
I hate you and I want you to know it  
I hate you not afraid to show it  
dropping names  
going down in flames  
I hate you  
sinking fast won't throw you a line  
messing with my life for the very last time  
I hate you  
and all the things you do  
I hate you, you, you.
