

AqME, Words

Kick me
Don't play with me
Can't play with me
I'm so freaky
Live that life with jealousy
Recomfort me
Or try to be
Differently
Try to understand me
So they call me freak
And I call them freaks
I ask myself why ?
Why they light on me ?
Words
You take those words too close to you
Words
That's only words
Words
That's only words
