

# Aqua, Rookie

I fell in love like a rook  
what you about that  
you ripped it, I'm a ...  
reckless how you had me fallin  
everybody;s falling

burning right now  
we got something going  
right now, /2x  
we got something I con't kill

so lalalalalalala  
get me sinking like lalalalala  
ain;t nobody be running out  
won't be running out  
I don't lie cause I'm with you tonight  
so lalalalalalala  
get me sinking like lalalalala  
ain;t nobody be running out  
won't be running out  
I'm with you tonight  
with you tonight

come and wake the worl if you mean it baby  
only lovers would put the loving in it  
feel we getting hot with us, fuck it  
I'll go baby down with us

burning right now  
we got something going  
right now, /2x  
we got something I con't kill

so lalalalalalala  
get me sinking like lalalalala  
ain;t nobody be running out  
won't be running out  
I don't lie cause I'm with you tonight  
so lalalalalalala  
get me sinking like lalalalala  
ain;t nobody be running out  
won't be running out  
I'm with you tonight  
with you tonight

true  
truer then before  
sing baby with me now

so lalalalalalala  
get me sinking like lalalalala  
ain;t nobody be running out  
won't be running out  
I don't lie cause I'm with you tonight  
so lalalalalalala  
get me sinking like lalalalala  
ain;t nobody be running out  
won't be running out  
I'm with you tonight  
with you tonight
