

Aqua Teens, Calling You

C.A.L.L.I.N.G. Now I'm calling you - calling you now

I can't get my message through -
why don't you pick up the phone
All my love - is running down the line -
but you won't receive it, no, no

I will whisper sweet words -
and cry if you tell me the same
What I hear - is just the old, lame,
occupied signal tone

Operator all you have to do -
is connect me - I'm waiting for it
Help me - I'm waiting to be

C.A.L.L.I.N.G. Now I'm calling you - calling you now
C.A.L.L.I.N.G. Now I'm calling you - calling you now

Calling - Calling - Calling

I - I call you once again -
and I resist to give in
Now my love - is running down the drain -
so you won't receive it, no, no

I will whisper sweet words -
and cry if you tell me the same
What I hear - is just the old, lame,
occupied signal tone

Operator all you have to do - is connect me -
I'm waiting for it
Help me - I'm waiting to be:

Chorus

I - Operator - I - Operator - I - Operator - I - Operator
