Aquabats, The
Aquabats Vs. The Floating Eye Of Death!
Lotto Fever
In a bottle of noodles
I found a small green fish
Who told a fish story
He could grant me any wish
"ok!" i said, "that sounds great
I think i understand"
The fish rolled up his sleeves
And said "your wish is my command"

I want a box of gold
And a palace of pearls
A nice big pool for my sad-eyed girls
I want a car that can fly
And x-ray eyes
I'd wish for more wishes
'cuz it can't get better than this!

So there it was, that's it!
I can quit my job
I've got better things to do all day
'cuz in my spare time
I'm in a rock n' roll band
And in my full time
I just sit and wait

For my box of gold
And my palace of pearls
A nice big pool for my sad-eyed girls
For the car that can fly
For my x-ray eyes
I'd like more wishes
'cuz it can't get better than this!

I can do anything
'cuz i'm wishing for everything!
It could happen
It could happen
Will it be?
You tell me?
Does it get much better than this?

When i woke up
I found the bottle was gone
Someone took it away
I guess i'll just have to wait

For my box of gold
And my palace of pearls
A nice big pool for my sad-eyed girls
For the car that can fly
For my x-ray eyes
I wish i had more wishes
'cuz it didn't get better than this!

I can do anything
'cuz i'm wishing for everything!
It could happen
It could happen
Will it be?
You tell me?
Does it get much better than this?
