

# Aqualung, All Or Nothing

it all depends on how you look at things  
it all depends on what the day might bring  
the problem is i never really know what way is up

coz i could turn around another way  
could turn it into something that would make me stay  
(ah yeh)

you've took the best days i've ever known  
just the best days or so i'm told  
but then again perhaps its just like any other day  
(other day)

i tried to run i wanna stand and stare  
i wanna take you with me wanna leave you there

i want it all or nothing  
i want it all or nothing  
i want it all or nothing  
i wanna push you away  
wanna beg you'll stay  
i don't know what i want  
i don't know what i want...  
...no.

have you ever lost yourself in the feeling  
have you ever felt yourself feeling weak  
i find myself and realise i don't know where i am

my heart is racing as i look around  
i'm scared of staying up but i don't wanna come down

i want it all or nothing  
i want it all or nothing  
i want it all or nothing  
i want it all or nothing  
i want to push you away  
i want to beg you'll stay  
i don't know what i want  
i don't know what i want

why don't you leave me alone  
why don't you leave me alone  
i want it all...

i want it all or nothing  
i want it all or nothing  
i want it all or nothing...yeh, yeh, yeh, yeh, yeh, yeh...

why don't you leave me alone  
why don't you leave me alone  
i want it all or nothing  
i want it all or nothing
