

Aqualung, Another Little Hole

No need to tell her she knows that there another little hole in her heart
Each day each dollar she knows it tears another little hole in her heart
'Cos she feels it happen no doubt that theres another little hole in her heart

The day is breaking and the time is taking the love were making
Away this life can only leave us lonely theres no tommorow
Just another little hole in her heart

No need to tell me i know that theres another little tear in my eye
I'm quite aware i see thats there another little tear in my eye
Do you ask yourself why shold we ask oursleves why
Is there any point in wondering why any point in wondering why

The day is breaking and the time is taking the love were making
