

# Aqualung, Can't Get You Out Of My Mind

A kiss is not just a kiss  
A smile is more than a smile  
Maybe we get together  
Maybe forever  
Maybe just for a while  
I've seen the look in your eye  
I've seen you wondering why  
There's a centre of gravity  
Brings you near to me  
Nearer all the time  
And I'm hypnotised  
Petrified  
Every time you walk by  
And I can't get you  
Out of my  
Thought you'd never be mine  
I thought I was wasting my time  
Darling every time I think of you  
I can't believe it's true  
That you're here by my side  
And I'm hypnotised  
Petrified  
Every time you walk by  
And I can't get you  
Out of my  
Mind
