

# Aqualung, On My Knees

All I want is to go back to the beginning  
And try to make it new  
But it is so hard to find a way to be forgiven  
Find the right way back to you  
Babe, no don't leave me like this  
I must have been crazy, girl, to do what I did  
Don't you hear me calling  
I'm on my knees  
Don't you feel me falling at your feet  
All alone in the darkness  
Holding my heart singing ple-e-e-ease  
Please hear me calling now  
Mmhmmmm  
In my heart you'll find a piece of me is missing  
And there's nothing I can do  
Look in my eyes you'll see I'm barely even living, no  
Cause what's living without you?  
I've got to tell you baby:  
I-I've got so much to say  
It cuts me to pieces how you turn me away  
Don't you hear me calling  
I'm on my knees  
Don't you feel me falling at your feet  
All alone in the darkness  
Holding my heart singing ple-e-e-ease  
Please, oh!  
Babe, we've got so much to say  
It cuts me to pieces how you push me away  
Don't you hear me calling  
I'm on my knees  
Don't you feel me falling at your feet  
All alone in the darkness  
Holding my heart singing ple-e-e-ease  
Please hear me calling now  
Na na na na na na na  
Don't you feel me falling at your feet  
All alone in the darkness  
Holding my heart singing ple-e-e-ease  
Hear me calling now  
Oh baby don't leave me now  
I'm calling now I'm on my knees  
Hear me calling now I'm on my knees  
Don't you hear me now I'm on my knees  
Hear me calling now I'm on my knees  
Don't you hear me now I'm on my knees  
Hear me calling now I'm on my knees  
Hear me calling now I'm on my knees  
Hear me calling now, Hear me calling now  
Mmmhmmmm
