

Aquaria, Firewings

[Bird Indian John]

In the deep of the river

I was given a chance

To remain in the darkness

Or to see the light, find what I've lost

In the deep of the river

I was given a chance

To see my love again

She's the one that made me what I am

The nature calls, I have to go - It's time

I WILL FLY THROUGH THE SKY

REACH THE HIGHEST STAR BEYOND MOONLIGHT

NOW I RISE FROM THE ASHES

SHADOW TO LIGHT

LIKE A ROSE I HAVE DIED

AND THE WATER GAVE ME A NEW LIFE

NOW I SHINE WITH THE SUNLIGHT

SHADOW TO LIGHT

Once I had stones in my way

Couldn't face them ahead

I ran away from my burden

But you can't run away from your past

The nature calls, I have to go - It's time

I WILL FLY THROUGH THE SKY

REACH THE HIGHEST STAR BEYOND MOONLIGHT

NOW I RISE FROM THE ASHES

SHADOW TO LIGHT

LIKE A ROSE I HAVE DIED

AND THE WATER GAVE ME A NEW LIFE

NOW I SHINE WITH THE SUNLIGHT

SHADOW TO LIGHT

Oh, I've waited for you for so long

I was so afraid that I couldn't hear my own voice

This time I don't live my life in fear

I could see my way through the pain of my rebirth

I WILL FLY THROUGH THE SKY

REACH THE HIGHEST STAR BEYOND MOONLIGHT

NOW I RISE FROM THE ASHES

SHADOW TO LIGHT

LIKE A ROSE I HAVE DIED

AND THE WATER GAVE ME A NEW LIFE

NOW I SHINE WITH THE SUNLIGHT

SHADOW TO LIGHT

Like firewings rising from the stars

From the stars, from the stars, rise through the sky
