Later I do my sound Bloke routine by approaching Gina's new boyfriend to say that he shouldn't fee Then on Friday night we went through to the Arches...

There was only one car going so some of us had to get the train. We got through quite late. Then v There was no problems getting in - we saw some others waiting down the front of the queue so we It was a good night - everyone was nutted and I ended up dancing with some blonde girl.

I thought she had been quite pretty until last night when Matthew informed me that she had, in fact When the club finished we wandered the streets for a while until we got to this 24-hour cafe.

I didn't like the look of it so we left and got a taxi back to Morag's flat.

I couldn't sleep so I sat about drinking someone else's strawberry tonic wine and tried to keep ever Then at ten o'clock in the morning we went downstairs to buy some drink. We had intended to watc Then we went to get the train home and had a few in the Station bar.

We had some stuff left from the previous night's supplies so when we got home we decided to go a Same story as Friday - lots of hugging, lots of dancing etc. etc.

I couldn't sleep again so went to the park to look at the toon, taking a detour through the playpark. To get in we had to climb over a ten foot steel fence, which resulted in severe bruising of our hands Then we walked through the woods to have a look at the toon. Big disappointment, but the mist on Sunday afternoon we go up to John's with a lot of beer in time to watch the Simpsons - it was a rea Then we watched these young girls in swimsuits have a water fight in the street. We went up to the pub about ten.

It was busy for a Sunday night, lots of people we know, including my first ever girlfriend who I still fi She's probably still a bitch, anyway.

Her friend Gillian was there, I had a chat with her, she was still quite pleasant.

At the same time I watched Malcolm make some terrible attempt to try and chat up a girl we know of I couldn't sleep again that night, thanks to some seriously disturbing nightmares...Matthew says I s "Went out for the weekend, it lasted for ever, high with our friends it's officially summer.&quot I got some sleep eventually on Monday afternoon.

It was a beautiful day, and later that evening Malcolm introduced me to the power of Merrydown - 1 Judith and Laura came round later and we sat in my back garden and drank.

Then Matthew came round and we went up the town.

It's officially summer.
