

Arai Akino, Welcome to Riskcaution Corporation

Welcome to Riskcaution Corporation
We'll take you to the unknown world
Complete freedom is waiting for you there
This machine is starting to operate now
Do you hear this guidance correctly?
We've prepared special purified air
So, please don't open the window at your side
There is no oxygen outside of this machine
Good luck
Bon voyage
Have a nice trip
One way ticket or return?
Welcome to Riskcaution Corporation
We'll take you to the unknown world
A playful creature will take care of you
Please touch the screen
This is all you could want
Fragments
Pieces
Glittering wild
Let's go through all space and time
Welcome to Riskcaution Corporation
We'll take you to the unknown world
Complete freedom is waiting for you there
Please touch the screen
This is all you could want
