

# Arcade, Mother Blues

I never knew, I had a father  
Until I lost the sun  
I didn't understand what he did  
Or what has done  
He took it much too far  
He took it all in stride  
I'll never reach the top of the mountain  
Until I find out why  
Mother blues  
Mother blues  
Came from a place there's no mistake  
Where livin's not much fun  
He knew his chances for romancing  
He knew it all along  
He took it much too far  
He took it all in stride  
I'll never reach the top of the mountain  
Till I find out why  
Mother blues  
Mother blues  
I'm gonna meet you there  
I'm gonna find you  
I know I'll see you soon  
He took it much too far  
He took it all in stride  
I'll never reach the top of the mountain  
Till I find out why  
Mother blues  
Mother blues  
Mother blues  
Mother blues
