

Arch Enemy, Dehumanization

This is the age of dehumanization
Perverted creation
Damned, misled children
You never stood a chance
Resurrection a dead messiah
For a paralysed race
Damned, misled children
You never stood a chance

Infected
Neglected
The new breed of a generation to come
Rejected
Illfated
The new breed, a generation to kill

Sowing the seed of suffering
Upon these fertile hearts
Damned, misled children
You never stood a chance
Chosen to be slaughtered
By the masters of manipulation
Damned, misled children
You never stood a chance

Infected
Neglected
The new breed of a generation to come
Rejected
Ill-fated
The new breed
Parasites
A generation to kill.
